NOTE

Sub: Safety Inspection for the month of Sept.

As per schedule of safety inspections, each of the officer is assigned total 3 inspections in a month. (Detailed, Surprised Night, Night Footplate). The data of Sept. 2022 from MMCT Online Portal (Officer's Inspection PDF Upload) has been analysed and it has been noted that there is deficit of inspection by total 24 officers.

This is serious issue and all the officers are advised to adhere to the schedule.
